COMPANY PROFILE

ABOUT US

Joshua Group International provides specialized equipment, training and highly qualified personnel for the safe resolution of high risk incidents.

Teams are trained to complete complex missions and operations with sophisticated and exceptional technical equipment, whilst operating autonomously and independently.

Joshua Risk has the expertise to aid governmental bodies and other authorities to establish and train Special Units i.e. Counter-Terror Units, Sniper Units, Close protection Units, Anti-Crime and Special Investigation Units.

Our Capabilities and services include:

- Riot & Crowd Control.
- Anti-Terrorism.
- Hostage Rescue.
- Protection Specialists.
- High Risk Scenarios.
- Air Marshals.
- Maritime.
- Intelligence Management.

VSOC ENTERPRISE RISK SERVICES

With our global partners, we formed intelligence-sharing relationships. We can leverage these relationships to provide proactive solutions that may not otherwise be available to our clients, based on actionable intelligence on business, operational and cyber risks.
